

Planning for the Possibility of Delays or Closures

Taking current road conditions and weather forecasting into account, Iron Mountain Public Schools will occasionally make the difficult decision to delay start times or cancel class and district/school events. Mountaineers are not afraid of a little snow, but safety is always the priority.

In the event of a closure, all sports programs and student activities will be cancelled that day, unless otherwise communicated. A current athletic schedule is available on our Mountaineer Athletics website, www.immountaineers.org.
