FINE ARTS NIGHT

Many families attended North Elementary School's annual Fine Arts Night on March 10, 2022.

There were multiple wonderful performances by Mrs. Maria Basanese-Hill's drama classes!

Mr. Ed William's classes also put on a performance with their recorders and also had a performance with folk dancing!

The performers all did a great job, and the student's beautiful artwork flowed through all the halls of North Elementary.

NORTH ELEMENTARY CHILDCARE

Childcare for ages three to twelve is available at North Elementary after-school. Click on link below for more information:

TOURNAMENT OF BOOKS

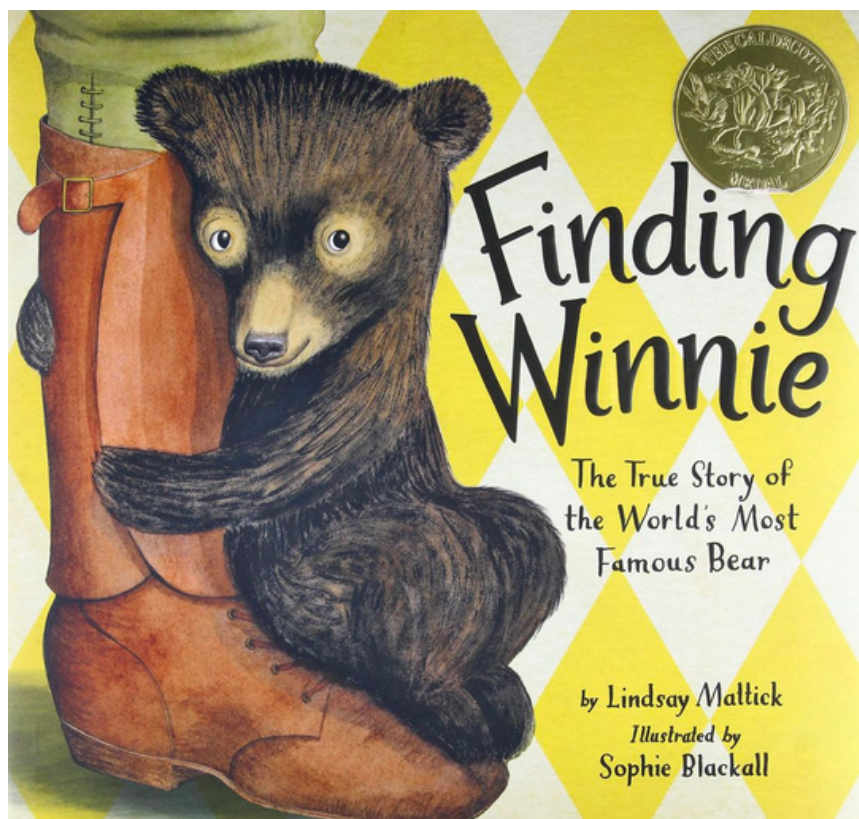

North Elementary celebrated March Madness with a tournament of their own- a Tournament of Books!

All the students Pre-K through fourth grade were read eight different books, and put them head to head and voted on their favorites.

The winning book was **Finding Winnie** by **Lindsay Mattick**, a beautiful and touching story of a bear that inspired the world-famous Winnie the Pooh.

You can find a copy to purchase here:

SAFE ROUTES TO SCHOOL SURVEY

Please be aware of a survey being sent out to parents in the next months. It is vitally important that as many families as possible participate in this survey.

The data will allow us to apply for a competitive and lucrative grant to improve our downtown campus sidewalk system.

7TH GRADE HEALTH CLASS LEARNS TAEKWONDO

Thank you Black Belt Master Mark Murray, 3rd Degree Black Belt, Founder and Head Instructor of Black Dragon TaeKwon-Do and member of the United States International Taekwon-Do Federation, for visiting Mrs. Herich's seventh grade Health class and teaching some basics of TaeKwon-Do and self-defense!

PRIDE AWARDS

Congratulations to the recipients of the March Iron Mountain Public School Pride Awards- senior Emma Golfis and Iron Mountain Public Schools School Success Coach, Ms. Allison Cevigney! The Pride Award is given to students or staff members who represent Mountaineer spirit and district pride.

Emma Golfis is a senior, she is involved in Key Club, Student Council, National Honors Society, YAK community service, tennis, she volunteers around the community, working three jobs, all while achieving high honors in her course work. Emma is a student that isn't afraid to come right into the principal's office to advocate for a project, theme, or a pass for something she feels very strongly for. She is not afraid of challenges or obstacles that come her way.

Ms. Alli Cevigney's current title is School Success Coach, but she is more than a coach to our students- she is their advocate, their voice, their shoulder to lean on, and the person who provides them whatever they need at that particular time they need it. The students she works with trust her, being the person they can depend on within the school building. She also works with groups of students in the district on social emotional and resilience topics.

Ms. Cevigney not only works with our students, she also is an advocate for Social-Emotional Learning (SEL) for our staff, working with the ISD and securing a MDE grant specifically around staff SEL. She is an integral part of the building.

WINTER FORMAL

NORTH ELEMENTARY PTO FUNDRAISER

The Cookie Dough Fundraiser pickup will be Thursday, April 7th in the North Elementary Gym starting at 3pm and ending at 5:30 PM.

If anyone needs to pick up earlier that day, the PTO can be reached at: imschools.pto@gmail.com.
