

Welcome to
IRON MOUNTAIN PUBLIC SCHOOLS
THE PLACE TO SUCCEED

March 13, 2020
10:41 AM

Dear Parents, Guardians, Students, and Staff,

Beginning today, Friday, March 13, 2020, and continuing on an as-needed basis, Iron Mountain Public Schools will release a series of memoranda providing guidance on a range of topics associated with COVID-19 school closing, including but not limited to the following:

- Special Education
- Nutrition and Food Service
- Student Assessments (M-Step, PSAT, SAT)
- Practices and after school services
- Days and hours district buildings will be open
- Learning options for each grade level

We will be posting our memoranda on our district website and updating as often as we can. We will also be utilizing our mass email/texting notification system. As you can imagine there are lots of questions and right now, more questions than answers. We are working diligently with our ISD, local, and state officials tackling each topic as quickly as we can. Many of the topics we need to address need to include state officials and others outside our district. As soon as we have guidance from these agencies we will provide you with that information. We ask that you check your email, text alerts, and our school website regularly for updates as many of your questions may be answered there. We are asking that you please be patient with us as we work through getting you answers as we have entered uncharted territory.

Sincerely,

Jerome J. Sardina
Superintendent
