

Dear North Elementary Families,

Due to the Covid19 situation there will be some changes instituted at North Elementary for safety reasons. We are trying to limit the number of people entering and exiting the building. Entrance to the building will be by appointment only. All students being dropped off by a parent/guardian must either drop their student off upstairs if eating breakfast in the morning or at the playground entrance at the East end of the school. Parents picking up students in grades Kindergarten, 1st, or 2nd grade need to do so in the East parking lot by the playground entrance. Students will be escorted by our Educational Assistants to their parents vehicle. Parents picking up students in Early Kindergarten, 3rd, or 4th grade will pick up their student on the upper parking lot level. Students will have name tags and parents picking up students please have your student's first and last name in the visor of the vehicle that is picking up the child to help make this process as smooth as possible. Families that have that have more than one student to pick up will do so at the youngest students location. For example if a 4th grade student has a sibling in 2nd grade the pickup will be in the lower level East parking lot. We really appreciate your cooperation during this very unusual time.

Your Partner in Education,

Donny Bianco
Principal
