According to Michigan Law (MCL 380.1147), if a child residing in Iron Mountain is not five (5) years of age on or before September 1, 2023, but will turn five years of age not later than December 1, 2023, the parent or legal guardian of that child may still enroll the child in kindergarten for the current school year (2023-2024) if the parent or legal guardian notifies the school district, in writing, prior to the beginning of the 2023-2024 school year of the intent to enroll the child in kindergarten. Notification, by way of a completed Kindergarten Age Waiver, must be received in order for a child born between September 2 and December 1 to be enrolled in Kindergarten for the 2023-2024 school year.
